Status	Active

Q: Are there projects in my county?

A: The Affordable Housing Programme has projects active across **all 47 counties**. Projects are at various stages of development, from planning to construction to completion.

Q: What are the major Affordable Housing Projects?

A: Some of the major projects include:

-  **Mukuru Social Housing**
-  **Lumumba Estate**

Nairobi 13,248 units	Kisumu 2,348 units
Pioneer Estate Uasin Gishu 2,105 units	Nyali (VOK) Estate Mombasa 1,932 units
Ngong Vet Estate Kajiado 1,910 units	Kikuyu Estate Kiambu 1,140 units
Tezo Estate Kilifi 1,005 units	Nyahururu Estate Laikipia 955 units
Thika Bustani Estate Kiambu 895 units	
	Wote Pool Estate Makueni 755 units

Q: What is the Mukuru Social Housing Project?

A: The Mukuru Social Housing Project is one of the largest affordable housing projects in Nairobi. It will have **13,248 housing units** comprising:

Unit Type	Units
Studios	5,616
One-Bedroom	3,024

Unit Type	Units
Two-Bedroom	4,608

The project is set on a **56-acre** parcel of land. **Phase 1 (1,080 units)** has been completed and handed over to beneficiaries.

Q: What is the Kilimani Police Housing Project?

A: The Kilimani Police Housing Project is a **mixed-use development** in Nairobi with **542 modern housing units** (studios to three-bedrooms). It includes an **ECD school, hospital, social hall,** and **commercial shops.** **20%** of all AHP units are set aside for **disciplined forces.**

Q: How has the Affordable Housing Programme impacted communities?

A: The programme has:

Job Creation

640,000+ jobs created for youth daily

Reduced Crime

Reduced crime rates in project areas

Economic Hubs

Transformed towns into vibrant economic hubs

Local Businesses

Supported eateries, hardware shops, transport

Skills Training

Built skills through on-the-job training

Dignified Housing

Restored personal confidence

The programme has generated **KES 11 billion** in economic activity through local supply chains.

Q: Is Kenya's Affordable Housing Programme being recognized globally?

A: Yes. Kenya's AHP has received **global acclaim**:

UN Recognition

President William Ruto named **Global Champion of Adequate Housing** at the UN General Assembly

Global Principles

Kenya has fulfilled all **seven Global Principles of Adequate Housing**

International Interest

Delegations from **Tanzania, Uganda, Ghana, India, Pakistan, Saudi Arabia, and Malaysia** have visited

Green Certification

Homa Bay project received **IFC EDGE Green Building Certification**

Gigacity Award

Kenya received a **Certified Bronze Gigacity 2025** award from the **World Broadband Association (WBBA)**

Q: What is the Recognition of Prior Learning (RPL) program?

A: RPL is a certification process where artisan skills are assessed and certified through the **Kenya National Qualifications Authority (KNQA)** and **National Industrial Training Authority (NITA)**. Over **1,200 artisans** have been certified so far. AHP sites are designated as **Industrial Assessment Centres** where competency-based assessments lead to nationally recognised certifications.

Q: What is the EDGE certification?

A: EDGE (**Excellence in Design for Greater Efficiencies**) is a green building standard and certification system created by the **International Finance Corporation (IFC)**. The Homa Bay Affordable Housing Project received EDGE certification, achieving:

- **30%** reduction in **energy use**
- **37%** reduction in **water use**
- Over **50%** reduction in **embodied energy in materials**

Q: How many MSMEs and Jua Kali artisans have benefited?

A: The programme has ring-fenced **KES 11 billion** for Jua Kali artisans and MSMEs. One Jua Kali cooperative in Mombasa won a **KES 720 million** contract for doors, balustrades, and windows. Over **200 regional artisans** have been contracted in coastal projects alone.
