Overview

The Affordable Housing Programme is committed to **environmental sustainability**, **social inclusion**, and **occupational health and safety**. This document outlines the key policies governing these areas.

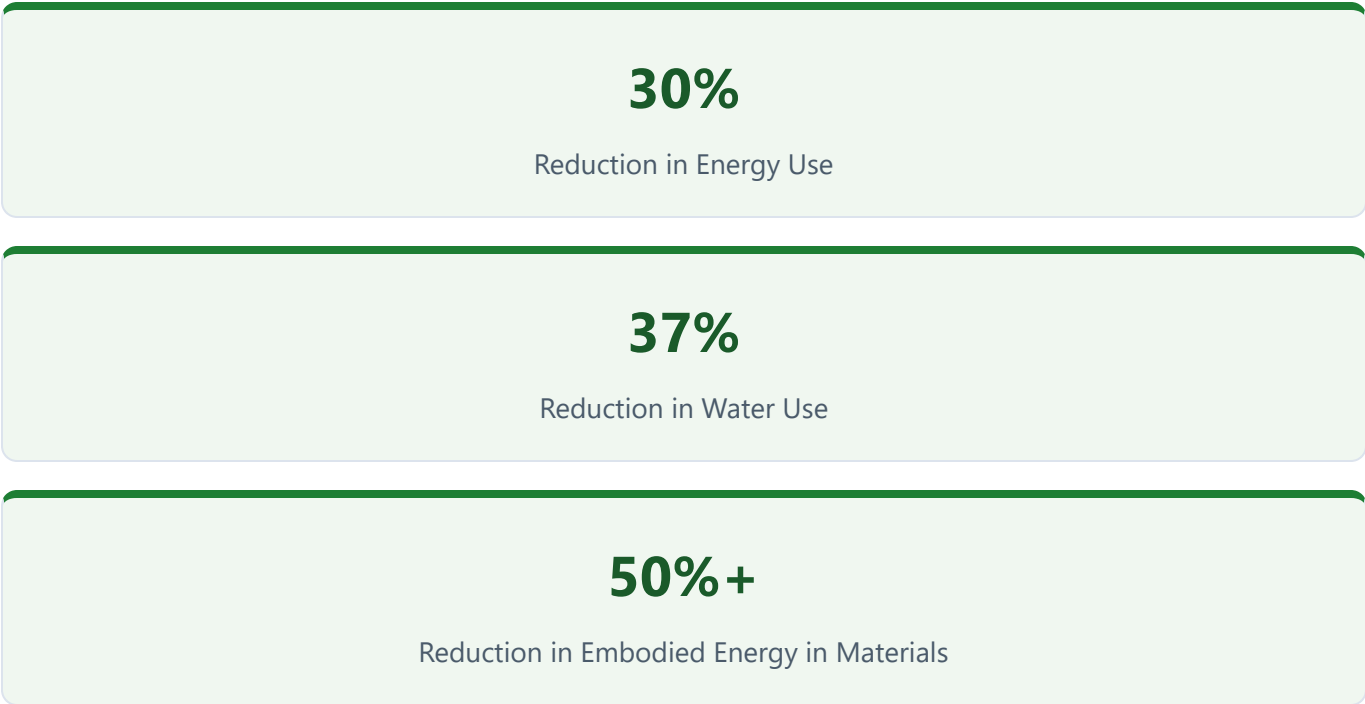

Environmental Policy

National Environment Policy

The National Environment Policy helps promote and guide the maintenance of a **healthy ecosystem** even as the programme undertakes its main activities.

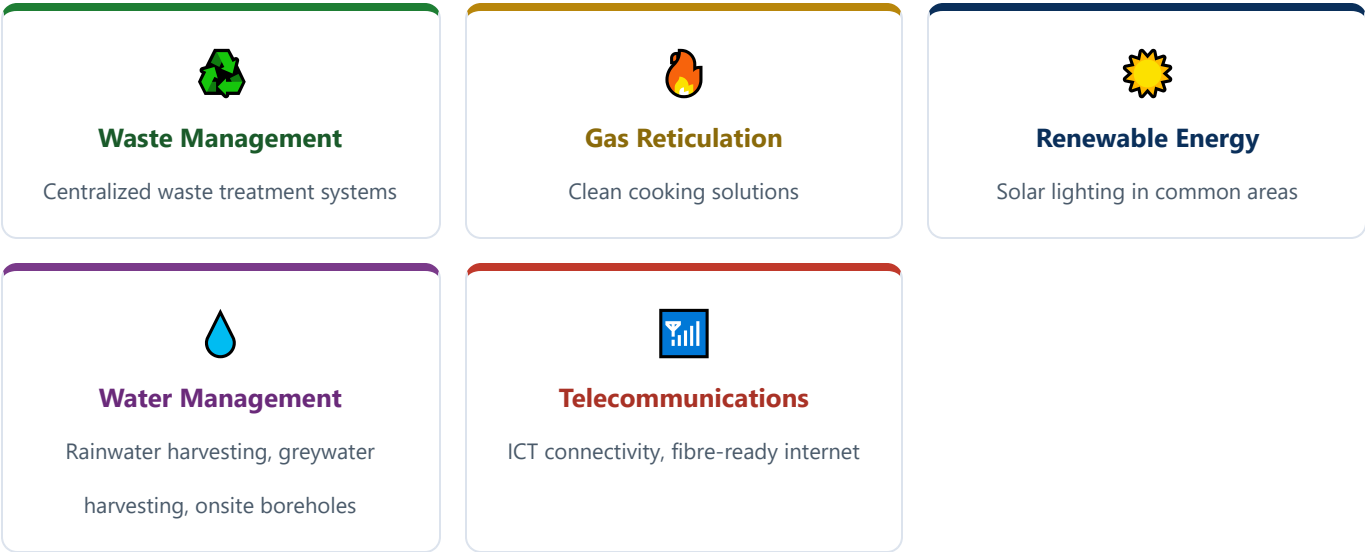

EDGE Certification

Projects are encouraged to achieve **EDGE** (Excellence in Design for Greater Efficiencies) certification. The **Homa Bay** project achieved:

Smart Technology Integration

Projects incorporate:

Social Policy

Public Participation

Public participation is a democratic right enshrined in the **Constitution of Kenya 2010**. The programme incorporates public participation throughout the project lifecycle:

Stage	Participation Form
Planning and Design	Community consultations, stakeholder engagement
Resettlement	Inclusive representation of affected communities
Construction	Local employment, skills training
Post-Construction	Monitoring and evaluation

Key Stakeholder Organizations

KEPSA

Kenya Private Sector Alliance

KPDA

Kenya Property Developers Association

AAK

Architectural Association of Kenya

FKE

Federation of Kenya Employers

COTU-K

Central Organisation of Trade Unions

Inclusivity

Group	Policy
Women	Targeted employment (30% target)
Youth	Employment and skills training
Persons with Disabilities	Universal access design (ramps, elevators, accessible stairways)
Special Groups	20% of units set aside for disciplined forces

Facilities Management

Detail	Description
Management Company	Formed by all homeowners
Board of Directors	Elected by shareholders
Managing Agent	Appointed for day-to-day operations
Sinking Fund	Established for maintenance and repairs

Occupational Health and Safety Policy

National Occupational Safety and Health Policy

This Policy is applied to enhance the implementation of **occupational safety and health** programmes.

Health, Safety, and Environmental (HSE) Policy

Developers shall commit to **providing and maintaining a safe and healthy working environment** for their staff and workers.

Key Principles

Principle	Description
Safety Culture	Promote a vibrant safety culture through two-way communication
Behavioural Programs	Implement behavioural-based safety programs
Wellbeing	Promote the physical, mental, and social wellbeing of all personnel
Resources	Provide adequate funding and resources for safety
Legislation	Implement business controls and health and safety legislation
Training	Invest in training, awareness, systems, and tools

Principle	Description
Performance	Monitor performance and progress against objectives

Standards

Developers shall work towards achieving **OHSAS 18001:2007** (Occupational Health and Safety Management Systems) certification.

Required Approvals

- NCA Registration**
National Construction Authority
- Workplace Registration**
DOSHS
- EIA License**
NEMA
- OSHA Certificate**
DOSHS
- Public Health Permit**
DOSHS
- KEBS Certification**
KEBS

Communication Protocols

General Communication Principles

Principle	Description
Citizen Engagement	Citizens are constantly informed and empowered to participate
Official Source	All communication originates from the Office of the Principal Secretary for SDHUD
Accessible Channels	Use all relevant channels, particularly those reaching poor and rural areas (Radio, KBC, social media)
Integrated Planning	Utilize integrated planning at interdepartmental and inter-governmental levels
Strategy	Communications guided by a strategy and plan

 Quick Summary – Environmental, Social & Safety Policies

EDGE Certification: 30% energy, 37% water, 50%+ embodied energy reduction

Inclusivity: 30% women employment, 20% units for disciplined forces

Safety Standard: OHSAS 18001:2007 | **Public Participation:** Throughout project lifecycle

 Key Takeaways

- **Smart Technology:** Waste management, gas reticulation, solar, water harvesting, fibre-ready internet
- **Stakeholders:** KEPSA, KPDA, AAK, FKE, COTU-K
- **Facilities Management:** Management Company, Board of Directors, Managing Agent, Sinking Fund
- **Approvals:** NCA, DOSHS, NEMA, KEBS
- **Communication:** Citizen engagement, accessible channels, integrated planning
